

Spectrasonics Trilian Updates

Last Modified on 22/11/2017 12:06 pm GMT

Spectrasonics have released an update, version 1.4.3d to [Trilian](#). This is a free update to registered users. Log-in to your [Spectrasonics account](#) to download the latest updates.

This is the latest version required to run in Avid's Pro Tools 11.

It's very important that you always stay up-to-date with the latest versions of the software, patches, and soundsources for Trilian. It is easy to tell directly from Trilian which downloads you currently need to install. Please consult the "Getting Started" video online for help with checking for updates directly from the plug-in.

Version 1.4.6d includes the following features and fixes...

Trilian Patch Library - 1.4.6d

15-09-2015
