

How Many Authorizations Do I Get?

Last Modified on 11/05/2018 1:41 pm BST

When you purchase a Spectrasonics Instrument, you are entitled to a single user, multiple computer license.

As long as you are the only user of the plug-in, you may install and authorize the plug-in for use on as many machines that you need.

You can get the authorizations that you need directly from from your [USER ACCOUNT](#).

You can get more answers to frequently asked questions about our authorization system [HERE](#).
