

Q. Do you offer education discount?

Last Modified on 11/05/2018 4:46 pm BST

A. We offer Education discount on a variety of products. You can filter all academic products via the search tool at the left of the screen. If a product has an educational version, you can select this from the 'drop down' list.

When applying for an educational product, there will be a section of the checkout which will ask you to upload **educational proof** (PDF, JPEG or PNG) - once this has been validated, we will send/ship your product.
