

# Q. How long does physical delivery take?

Last Modified on 11/05/2018 4:17 pm BST

A. We offer multiple delivery methods for physical items. Orders within the UK that exceed £75.00 will be eligible for **free next working day delivery**. We also offer Saturday delivery and AM delivery via our main courier.

Additionally, we offer shipping via **Royal Mail** to UK, European and international customers.

You will receive real-time shipping quotes when you add a physical item to your basket.
