## Installion Guide - Audiaire Products

---

### Redeem / Download / Activation

1. Create an account at the Audiaire website [here](#) .
  2. Once logged in, [redeem your license here](#) .
  3. Enter the serial code emailed to you to redeem. You will then see your installer download(s) under the "Licenses" tab.
  4. Install and launch the plug-in in your DAW.
  5. Login to your Audiaire account from the login window and you plug-in will now be fully authorized for use
