## Quick Installation Guide - GForce Software

You will be sent a serial code for your purchase via email, then please follow the steps below to; authorise, download and install your purchase of a GForce product.

### Step One: Creating an account and registering

1. Proceed to here to register your serial: [https://www.gforcesoftware.com/account/#my\\_instruments](https://www.gforcesoftware.com/account/#my_instruments)
2. Login to your account at or if you do not have an account then please create one.

The screenshot shows two side-by-side forms. The left form is titled "LOG IN" and contains fields for "EMAIL\*" and "PASSWORD\*", a "Remember me" checkbox, a "LOG IN" button, and a "Forgotten password?" link. The right form is titled "SIGN UP REGISTER" and contains fields for "FIRST NAME\*", "LAST NAME\*", "EMAIL ADDRESS\*", "PASSWORD\*", and "CONFIRM PASSWORD", along with a "Would you like to receive our newsletter?" section with "Yes" and "No" radio buttons, a "SIGN UP" button, and a "LOG IN" link at the bottom.

3. Once in "My Instruments", scroll-down to "Product Registration".

The screenshot shows the "PRODUCT REGISTRATION" page. It includes a heading "PRODUCT REGISTRATION" and a sub-heading "REGISTER". Below this is a paragraph: "Products purchased in our webshop are automatically registered to your account. Products bought elsewhere can be registered here." There are two main input areas: "PRODUCT" and "SERIAL NUMBER". The "PRODUCT" dropdown menu is open, showing a list of products: "Select a product", "ChamberTron", "impOSCar2®", "M-Tron Pro - Complete (The Instrument & ALL Expansion Packs)", "M-Tron Pro LE", "M-Tron Pro®", "Minimonsta®", "Oddity2®", "OptiTron", "OrchesTron", "The Streetly SFX Console", and "The Streetly Tapes Collection". The "SERIAL NUMBER" field contains the placeholder text "0000-0000-0000-0000".

4. Select a Product from the dropdown, input the serial provided and then click "Register"

The screenshot shows the "PRODUCT REGISTRATION" page with the "PRODUCT" dropdown menu closed and "M-Tron Pro®" selected. The "SERIAL NUMBER" field now contains the text "XFJD|PBGG-FMEG-9000". A "REGISTER" button is visible at the bottom left of the form.

5. Once Registered, your instruments will be added to your instruments (just above "Product Registration").

### Step Two: Installation

1. You can then download the full-version installer by clicking "View Instrument" or "View Expansion" next to the name of your instrument.

2. Once an INSTRUMENT\* has been Registered to a customer account, the customer will find their unique installation code in the VIEW INSTRUMENT section with their download files.
